

Creating the fabric of a global society.

# IAPA International

A leading global association of independent accounting and business advisory firms.

As a member of IAPA International, we can offer our clients the expertise of local professionals all around the world - providing opportunities to expand into new markets, make new connections and to gather critical business information in a quick and cost effective manner.

IAPA member firms are committed to delivering a personal, sustainable, partner-led service to their clients, offering global expertise and support through their individual experience and knowledge.

Being part of IAPA International helps our clients expand across national boundaries, granting access to first-hand knowledge of local regulations, culture and customs. This removes potential cross-border uncertainties, overcoming the challenges associated with entering new markets. Through our fellow members, we can provide the highest quality accounting, tax and consulting services across the globe, allowing clients to achieve their unique objectives with effective local and global solutions.

## Quality

Firms selected for membership of IAPA are known for their entrepreneurial flair, integrity and commitment to providing high quality solutions. IAPA International firms adhere to and uphold the highest professional and ethical standards as required by their local regulatory authorities, maintaining rigorous standards of excellence throughout the world.

Whatever your business, we can help you operate efficiently, by taking advantage of global opportunities, granting you with the security that your business interests are being looked after by IAPA International members.

## Professional Services from IAPA

A full range of professional services is offered by IAPA member firms, with a wide range of industry sector expertise. IAPA takes a proactive role helping members, and clients of members, achieve their distinctive business targets through responsive, practical and tailor-made solutions.

*"Clients like the fact that we are part of a global association and that their international business and accountancy needs can be solved through one local firm with access to similarly-minded independent firms around the world."*

Quote from IAPA member

Global Support. Local Knowledge. [www.iapa.net](http://www.iapa.net)

Creating the fabric of a global society.
